

CENTURY OF DPS BASKETBALL - BOYS

The All-Century team was designed to bring to light the extraordinary accomplishments of student/athletes in DPS for the past century. DPS is extremely proud of all of their student athletes and wanted to create a database of athletes that have stood the test of time. While this list has been compiled with the help of the Century Committee we still need your help. If you know of an athlete that meets the criteria for being a member of the All-Century Team and they are not listed please contact John Andrew at athletics@dpsk12.org, please include your name and phone number.

For those athletes listed on the All-Century Team we would like to reach out to you and send you a certificate to acknowledge you as a member of the DPS All-Century Team. Please send name, address, phone number to athletics@dpsk12.org. If you have an artifact (newspaper clipping, article, picture of you in high school) we would enjoy connecting that artifact to your name. Please scan and send via e-mail in pdf. format. We look forward to hearing from you!!
